Charles,

When we originally submitted in August of 2018 for the Vacation Application, MML II, LLC was the applicant and property owner. The affidavit and application were signed by James Schier, the agent for MML II, LLC. The property was sold to Canoe Creek Investments, LLC on August 21, 2019. I have attached a copy of the deed as well as the Articles of Incorporation for both Canoe Creek Investments and MML II. Both show James Schier as the authorized agent. I am happy to update the application and agent authorization forms with the new ownership and applicant name.

Rachel,

I was able to locate the signature block. Please see the attached deed I created. There will also be an affidavit (not attached to this email). Additionally, please provide clarity on who is the applicant relative to the application. The written vacation identifies MML II, LLC, as the applicant; however, it appears Canoe Creek is the now the applicant. I would appreciate something in writing simply to clarify. Finally, I've kindly attached the signed and sealed versions.

Enjoy your weekend.

Thank you,
