## History, Health, Literature & Science

### What is it?

Four databases from Salem Press provide on-line searching and full text of their reference works.

**How Do I use it?** Scroll down the homepage and choose “**Salem Literature**”, “**Salem History**”, “**Salem Science**” or “**Salem Health**,” from red links provided. You may chose directly from the blue links below each topic, or use the white Search box at the center of Salem’s homepage. There is an Advanced Search option below the Search box.

- **Salem History** is divided into topics: American Industry and Careers, Decades, Athletes, Events and Great Lives.
- **Salem Health** covers: Cancer, plus Genetics and Inherited Conditions.
- **Salem Literature** provides critical surveys of Graphic Novels and Superheroes
- In **Salem Science** features Forensic Science and The Solar System.

### Special Features at a Glance:
