Summary of Transition Program

Program Components

- This program does not include the 3 hospitals or other programs funded by separate agreements
- Funds only Medically Necessary healthcare services as defined by Medicare.gov
- Eligibility is:
 - Manatee County Resident
 - Income of Family unit below 200% of Federal Poverty Level
 - Not eligible for other form of payment (Medicaid, Insurance, etc.)
- Providers can determine eligibility using County licensed software (in development)
- Hospitals and County Staff will also determine eligibility
- Providers must use HIE Networks system for County funded patients
- Providers (or staff) must attend administrative and clinical meetings (monthly once they begin)
- Providers participate for the Fiscal Year (October-September)
- Funding for FY 2016 is \$1,250,000
- Denied applicants may appeal to the Community Services Department
- Patients must sign a release of information allowing the provider to show County staff documentation in the patient file for monitoring purposes
- Providers join the program by signing an enrollment form.
- Providers must participate in any pilot programs that the County initiates

Billing

- Provider invoices the County on form CMS-1500
- Payments will be made at the Medicare rate for CPT codes
