

## MANATEE COUNTY FLORIDA

# TENT PERMIT PROCEDURES

To obtain a Tent Permit a Temporary Use Permit is required from the Permit, Planning, and Inspections Department's Zoning Section before obtaining a Building Permit.

To obtain a permit from the Permitting Department Five (5) copies of the plans are required indicating:

1. Site Plan showing tent location.
2. Size and type of tent.
3. Show electrical and water if applicable.
4. Handicap accessibility of restroom.
5. Flame spread of tent fabric.
6. No Smoking signs (Minimum on sign per exit).
7. Fire Extinguishers (5# ABC type fire extinguishers).
8. If food or drink is served, show containers for waste disposal.
9. If seats are used, show number and width of aisle or any other obstructions.
10. No permit will be issued before Fire Department approval. Manatee County sends plans to the Fire Department.
11. Send to Health Department number and location of sanitary facilities.
12. Notarized permission from property owner.
