

## Public Works Department Memorandum

RECEIVED

JUN 02 2008

PROPERTY ACQUISITION  
DIVISION

TO: Surveyors and Engineers

FROM: Arlan B. Cummings, Engineering Department Manager

DATE: May 29, 2008

SUBJECT: **New Benchmark Elevation Data** (City of Bradenton)

The elevations that are used within the city are referenced to NGVD29 and are based on USC&GS "M 39" having an NGVD29 elevation of 23.05 feet.

All information compiled within our bench mark data sheets is provided as a public service and for general informational purposes only. In preparation of these pages, every effort has been made by the City of Bradenton Engineering Department to offer the most current, correct and clearly expressed information possible. The City of Bradenton disclaims any responsibility for typographical errors and accuracy and shall not be liable for improper or incorrect use of the information herein.

The City of Bradenton Engineering Department has an ongoing Benchmark Program to establish elevations. Some of the published elevations may change as level lines are run and adjusted.
