

## CDBG-CV Grant - Stabilization Placement Program

The Stabilization Placement Program offers short-term, private shelter to individuals and families accepted into long-term housing programs. This temporary shelter offers a safe place while partner agencies help clients find permanent housing. You can only access this program through approved partner agencies; individuals cannot apply directly.

## HOME and HOME-ARP grants -HOME Again

HOME Again is a long-term housing stability program for families with children under age 18, combining rental assistance with personalized case management and coaching. In partnership with the Manatee County School District, Turning Points works with families to stabilize housing while also addressing related needs such as employment, savings, and financial education. Access to the program is available only through approved partner agencies; individuals cannot apply directly.

## Project Smile

A new smile can change everything. Project Smile provides dentures and other oral prosthetics to eligible patients in our free dental clinic, restoring confidence, dignity, and the ability to thrive. Offered to uninsured adult residents of Manatee County who meet income qualifications, this program begins with a dental evaluation to determine if prosthetic services are needed. For many, a new smile opens the door to new opportunities—and a fresh start.
