## PROJECT HIGHLIGHTS AND COMMUNITY BENEFITS

The county took over John H. Marble Park in the mid-1990s. Over time, the facilities and grounds slowly deteriorated. With the John H. Marble Improvement Projects the park will feature a double gymnasium, fitness center, upgraded pool deck, splash pad, a new picnic pavilion and fencing. The parking lot and sidewalks are being repaved. Stormwater management and the 37th Street entrance will also see improvements. To accommodate a turn lane, 37th Street is being widened. The gym is being demolished and replaced with a new double gymnasium, new fencing and ADA compliant sidewalks. Pathways around the park were outdated, however, the new plan provides connectivity for all guests throughout John H. Marble Park. The pool area of the park is being upgraded to include a larger deck, picnic pavilion and a 4,000-square-foot splash pad. Future improvements include two new tennis courts and a basketball court. The park, as a whole, will benefit the entire community with youth and adult basketball, volleyball, pickleball, Kinderskills for toddlers, exercise classes and wellness programs.
