### PROJECT HIGHLIGHTS AND COMMUNITY BENEFITS

The County found this to be a great opportunity, with the new 911 communication tower at Kinnan Park, to utilize the green space for a fitness trail, shade structures, small & large dog parks, parking, playground and restrooms for the surrounding communities. As a result of public input, two pickleball courts with shade structures have been added as amenities. Kinnan Elementary school is located in front of the property and will provide additional green space for heavy trafficked area. On May 24, 2022 the Commissioners voted 6 to 1 to officially name the new park Gov. Ron DeSantis Park.
