Revenues:

Maintenance Assessments

The District will levy a Non-Ad Valorem Assessment on all the assessable property within the District in order to pay for its operating and maintenance expenditures incurred during the Fiscal Year.

Administrative Expenditures:

Supervisors Fees

The amount paid to each supervisor for the time devoted to District business and meetings is determined by Chapter 190, Florida Statutes, at \$200 per meeting.

Field Services

The District has contracted with GMS-Tampa, LLC to provide Field Services for the District in accordance with the Management Agreement. The services include, but are not limited to, one monthly landscape maintenance inspection, monthly inspection report, monitor progress of landscape maintenance contractors, and other field related contract management.

Management Consulting Services

The District has contracted with GMS-Tampa, LLC to provide Accounting and Administrative Services for the District in accordance with the Management Agreement. The services include, but are not limited to, attendance of monthly board meetings, recording and transcription of board meetings, administrative services, budget preparation, financial reporting, annual audits, etc.

District Engineer

The District's engineer, Johnson Engineering, Inc will be providing general engineering services to the District, which includes preparation and attendance of monthly board meetings, review capital related expenditures, and other general engineering services.

Trustee Fees

The District will pay annual trustee fees to Hancock Whitney Corporate Trust for the Series 2022 Capital Improvement Revenue Refunding Bonds.

Assessment Roll

The District has contracted with GMS-Tampa, LLC to prepare the annual assessment roll.

Auditing Services

The District is required to annually conduct an audit of its financial records by an Independent Certified Public Accounting Firm. The District is currently in contract with Berger, Toombs, Elam, Gaines, & Frank.

Community Development District General Fund Budget
