**G.T. BRAY GROUP FITNESS CLASS DESCRIPTIONS**

<b>Aqua Fit</b>	A low impact but high intensity water aerobics class where no swimming skills are needed. Improve flexibility, range of motion, strength, muscle tone and endurance using the resistance of the water to cushion the feet, knees and back. Exercises are performed to lively, motivating music and moves are effective and easy to follow.
<b>Athletic Yoga</b>	Expect to move in this class, but with minimal flow, more basic poses and longer holds. This class will help to improve range of motion, balance, and understanding of physical limitations. Working all parts of your being, power, strength, and speed are all directly connected to the overall alignment of our body. Join and watch the transformation happen.
<b>Aqua Zumba</b>	Aqua Zumba brings both together in one awesome pool party! Structured like a standard Zumba class, Aqua Zumba entails dancing to motivational music with unique dance moves and combinations—except it's in water.
<b>Ballroom Dance (Social)</b>	Whether you're a novice or seasoned dancer, this class is for you. Come to learn new moves, or as a refresher for all SOCIAL dance styles.
<b>Barre Fusion</b>	Fun, strength, flexibility and balance workout. Graceful but intense barre combines great music and strength exercises to give you a fully toned and balanced body. Chairs will be used instead of a bar.
<b>Body Worx</b>	Move at your own pace, your range of motion with dumbbell weight choice to this interval strength and endurance class for all levels. Bring mat for core and stretch.
<b>Bootcamp</b>	Increase your strength and cardiovascular endurance while pushing through bodyweight, plyometric, cardio, and strength exercises.
<b>Bosu Core &amp; Strength</b>	This class transcends conventional boundaries, offering a blend of cardio, strength, and functional movements. Using the Bosu trainer, exercises focuses on muscular endurance and integrated strength, which uses movement patterns that work the upper body, lower body, and core muscles simultaneously. Depending on class size other equipment will be added into the workout.
<b>Cardio Flex</b>	This low impact cardio class will get your blood flowing with upbeat aerobics for cardio conditioning.
<b>Cardio HIIT</b>	Take your workout to the next level! Improve cardio endurance and performance, alternating between high intensity movements to significantly increase the heart rate, followed by short periods of lower intensity movements. Burn fat and increase stamina and strength!
<b>Cardio Kickboxing</b>	Ready to take your workout to the next level? This high-energy workout challenges your body and your mind. Build stamina, improve coordination and flexibility, and maximize your calorie burn as you build lean muscle with this fun and challenging workout.
<b>Chair-obics</b>	This is a seated cardio workout combining strength, balance, coordination and flexibility .
<b>Chair Yoga</b>	If you do not want to get on the floor this is a great class to stretch, meditate and learn therapeutic moves, all seated in a chair
<b>Circuit Training</b>	Hit each muscle group and raise your heart rate in this circuit training strength and cardio based class. Squat, Lunges, Push Ups, Cardio Intervals and Mat work performed.
<b>Cycle</b>	Nothing beats an indoor cycle class! This is a low impact; high intensity cardiovascular workout designed to torch calories and increase leg strength and endurance. Class space is very LIMITED.
<b>Dance Fit</b>	Get your heart pumping in this dynamic, energy-filled dance class. Set to wide variety of music, old and new, this fun-filled sweat session is appropriate for all fitness levels.
<b>Functional Balance</b>	This class focuses on enhancing your balance and coordination through a variety of exercises designed to mimic everyday movements. You'll learn to improve your posture, reduce your risk of falls, and increase your overall functional fitness.
<b>Foam Rolling</b>	Self manual therapy using massage tools such as foam rollers and therapy balls to increase flexibility, reduce muscle tightness and improve muscle recovery.
<b>Floating Yoga</b>	Enjoy a mind, body and spirit connection through a series of yoga poses while floating on an aqua board. You will take your balance to a new level with this class. Previous experience in yoga and comfortable with water. Please be advised that SPF Shirts and tight exercise shorts are encouraged. Bring water.
<b>Gentle Yoga</b>	A time to reconnect your mind to your body through pranayama (the Yoga breathing), careful and authentic Yoga practice and complete relaxation.
<b>High Cadence Cycle</b>	Take a ride as you are guided through a workout primarily centered on speed and cardiovascular effort. This class will focus on pedaling at a rapid rate (typically 95-110 RPM) with lower resistance, shifting the load from muscular strength to the cardiovascular system.
<b>Kickboxing Fundamentals</b>	Learn the fundamentals of boxing. Focusing on proper technique, footwork and form to help you build power and prevent injury.
<b>Latin Dance</b>	An intro to Latin dance. Learn Salsa, Bachata, Samba and Merengue. A perfect way to get your body moving and have some fun!
<b>Line Dance- Beginner</b>	Take it slow. Spend more time with each dance to ensure the steps are clear to everyone
<b>Line Dance-High Beginner</b>	Even though these are still beginner dances, there are more steps that might be just a little more challenging
<b>Mindful Movement in the Water</b>	Gentle, low impact movement using buoyancy in the water to reduce stress on the joints. Designed for those with arthritis, joint pain or those who wish to improve their flexibility, balance, and strength while reducing stiffness. Class follows guidelines set from the Arthritis Foundation.
<b>Pilates</b>	Strengthen and lengthen the essential muscles of your core and more with focused exercises and restorative stretches.
<b>PIYO</b>	A low-impact format that fuses the muscle-sculpting, core-firming benefits of Pilates with the strength and flexibility of Yoga; creating a dynamic, flowing workout that burns calories, builds long lean muscles and improves balance. The continuous flow from one move to the next, uses your own body weight for resistance and keeps the heart rate elevated without jumping or stressing the joints.
<b>Power Dance</b>	Blast away calories and increase your heart rate in this dynamic cardio workout! Kick, dance and move your way through this fun filled class!
<b>Power Yoga</b>	A dynamic and invigorating form of yoga that combines elements of traditional yoga with athletic movements. Improving strength, flexibility and endurance.
<b>Pure Strength</b>	Weights, Resistance Bands and Body Weight. Weight training only in this high sets and reps class. Outdoors.
<b>Qi Gong Meditation &amp; Reike</b>	Ancient Chinese art and science of becoming aware of Life's energy. Learn how to control the flow of Life's energy through precise choreography of posture, movement, respiratory techniques and meditation to improve balance and cognitive function, lower blood pressure and reduce stress.
<b>Restorative/YIN Yoga</b>	Gentle paced and passive. Both yogic practices are blended to stretch your connective tissues, while also focusing on the release of mind-body tension through breath-work (pranayama), helping to switch off fight-or-flight mode, and bringing the nervous system into a state of healing. If you are recovering from an injury, or just looking to slow down and unwind, this is the perfect practice.
<b>Relaxation/Wake-up Yoga</b>	A time-out class to stretch, relax, and connect with your breath. A great class for everyone from kids to seniors, athletes to office workers, and those with sciatic troubles to tight hamstrings. Use of chairs for assistance is optional.
<b>Sit &amp; Get Fit</b>	A chair activity that addresses physical maintenance and aerobic training. Fun seated exercise workout for those who need to sit, exercise and get fit. Feel the fitness and health benefits
<b>Step Aerobics</b>	Step is a Classic cardio workout that delivers results. Begin with a dynamic warm-up, followed by active, choreographed cardiovascular exercises targeting different muscle groups. Step it up and down, over and around, to the sound of your favorite beats in this fast-paced session to boost your heart rate and breathing, and strengthen your muscles.
<b>Step &amp; Sculpt</b>	The first half of the class is easy to follow step (platform optional) sure to rev up your heart rate. The last half is a series of exercises using dumbbells for strength conditioning benefits
<b>Strengthen &amp; Lengthen</b>	Come learn some new aerobic moves with easy to follow strengthening exercises to improve everyday functionality. Improve balance and posture. Class ends with a cool down and stretches that will increase your flexibility.
<b>Tai Chi</b>	Tai Chi is a gentle healing art. It is an excellent way to open up the joints and stretch the tendons, which allows for greater mobility, and greatly replenishes energy. Open to all, it is a safe and effective exercise.
<b>Total Core &amp; More</b>	Strengthen and condition your core muscles...and more! This class will target your core and all the supporting muscle groups incorporating upper and lower body exercises. Weights, balls, bands and/or Mat work performed.
<b>Total Body Conditioning</b>	This multi-level full body workout targets all the major muscle groups. Pure Strength, incorporating cardio and resistance work to an energetic beat to work out the whole body. This workout is designed to contain challenging exercises that will increase strength, decrease body fat and improve overall conditioning.
<b>TRX/Kettlebell</b>	This class uses a combination of TRX straps for suspension training and kettlebells for weighted strength training. This class will help improve strength, coordination, and power in the upper body, core, and lower body.
<b>Vin / Yin Yoga</b>	A marriage of the strong, yang Vinyasa Yoga with the receptive Yin Yoga, finding a balanced intensity for both beginners and advanced yogis. Active, yet grounding sun salutations and standing flows enliven the body, create fire, and chase away any fatigue. This is followed by longer held passive, seated and supine poses, promoting balance throughout the nervous system and allowing for a sense of peace and relaxation
<b>Vinyasa Yoga</b>	A journey into the connection between mind, body, and spirit. Learn a greater understanding of flexibility, breath, and movement through a flowing sequence of yoga poses, with options.
<b>Zumba</b>	This Latin-inspired, easy-to-follow, dance fitness party exhilarates the senses and works all major muscle groups. Register early!
