WATER OFF / PRECAUTIONARY BOIL WATER NOTICE

WATER OFF:

Tuesday, July 29, 2025, into Wednesday, July 30, 2025 from 10:00PM-5:00AM

REASON FOR SHUTOFF:

Fire hydrant & hydrant valve replacement

FOR IMMEDIATE RELEASE:

MANATEE COUNTY, FL (Wednesday 30, 2025) – Manatee County Utilities Department will be issuing a Precautionary Boil Water Notice after the water has been restored, for our customers from 49th St E or (Experimental Farm Rd), along 28th Ave E, to 58th Way E & 58th Cir E & 28th Ave E. All of Jackson Crossings & the entire Coach House MHP will be affected during this water off & precautionary.

On **Tuesday, July 29, 2025, into Wednesday, July 30, 2025**, the water will be shut off for a fire hydrant & hydrant valve replacement. The affected customers are advised that once service is restored, all water used for drinking or cooking should be boiled as a precaution. A rolling boil of one minute is sufficient. As an alternative, bottled water may be used.

This precautionary notice will remain in effect until a bacteriological survey has shown the water to be safe, normally 24-48 hours. A Rescission Notice will be issued when lifted. If residents have any questions, they may call 941-792-8811 ext: 5268 or 5216 between 7:00 a.m. to 3:30 p.m.

*Regulations require that two consecutive samples be collected for bacteriological quality following the water being shut off. To restore full service as soon as possible, the Department of Health allows rescission of the precautionary boil water notice if the first sample is bacteriologically acceptable, and the second sample meets certain general water quality standards. However, if the second sample is bacteriologically questionable or unacceptable, then this precautionary boil water notice will be reissued until two consecutive bacteriologically acceptable samples are demonstrated.

THIS NOTICE HAS BEEN ISSUED BY MANATEE COUNTY UTILITIES WATER DISTRIBUTION SECTION
