MEMORANDUM

To: Dan Wolfson, Director of Finance, Clerk of Circuit Court
From: Jan Brewer, Director of Financial Management
Date: November 29, 2018
Subject: Hurricane Abatement information received from the Tax Collector.

We have received from the Tax Collector the following information:

This notification comes to you pursuant to section 197.318(4) (b), Florida Statute. "No later than May 1, 2019, the tax collector shall notify the governing board of each affected local government of the reduction in such local governments’ taxes that will occur pursuant to this section."

The reductions noted in the attachment come from those affected by the Hurricane Abatement of Taxes for the residents of Manatee County whose homesteaded property was damaged or destroyed by Hurricane Hermine, Matthew and/or Irma. Attached I have outlined the deduction of funds that will be withheld in November (2019) for the 2019 property tax collections. Applications were required to be submitted to the property appraiser no later than March 1, 2019 for those requesting relief so this should be your only notification of such deductions.

Again, you will not see these deductions until November but our office is required to notify you of the amounts before May 1st, 2019. As of now, I do not know how these deductions will appear on the receipt of deposit in November, but I will make you aware of which distribution the deductions are taken and they will be stated on the deposit notification.

Please find attached the information provided by the Tax Collector.

Please place on the Clerk’s consent agenda.

Thank you.
