**WHEREAS**, Manatee County wishes to amend Section 2-22-15(2) of the Manatee County Code, which prohibits certain trucks and commercial vehicles from using "engine compression release braking" while slowing or stopping on designated public roadways, except in emergency situations; and

**WHEREAS**, the Manatee County Board of County Commissioners wishes to add The Masters Avenue, from Lorraine Road to Bourneside Boulevard, to the list of designated roadways in which engine compression release braking is prohibited; and

**WHEREAS**, the Manatee County Public Works Department has conducted a traffic study on the condition and function of this portion of The Masters Avenue, and has evaluated the road's commercial vehicle volume, alternate routes, and adjacent land uses; and
