

CERTIFICATION OF LANDS

Certificate Number: N/A

Project Name: Manatee County Beach Shore Protection Project

Segment: Submerged Lands

The Manatee County Board of County Commissioners (hereinafter "Manatee County"), as Project Sponsor of the Manatee County Shore Protection Project authorized by Public Law 98-298 under Project Partnership Agreement Dated November 22, 2019, does hereby certify that the interests in the land described in Schedule A are dedicated to the Manatee County Shore Protection Project and shall not be conveyed, transferred, or otherwise altered or encumbered without express written consent of the Department of the Army acting by and through the Assistant Secretary of the Army for Civil Works or his designated representative.

Manatee County does certify that it acquired the interests required by the Department of the Army to support construction of the project and these recited interests will not be impaired during the life of the Project except as written consent is given as provided above. Manatee County also certifies that no persons and business have been displaced by acquisition of below lands, and if such displacement becomes necessary, any displaced persons or businesses will be relocated in full compliance with Public Law 91-646, as amended, and that the other provisions of Public Law 91-646, as amended, have been complied with.

Manatee County does hereby certify that it has at least the following minimum interest in the lands described in the attached Schedule A: Consolidated Joint Coastal Permit and Sovereign Submerged Lands Authorization from the Florida Department of Environmental Protection and corresponding permit modification.
