The City of Anna Maria will be holding an annual clean up on March 28, 2015 from 8 am to 12 pm and the City of Anna Maria Commission would like to request the waiver from the tipping fees for this event.

Waste Management will be the carrier hauling the refuse to the landfill.

The approximate amount is twenty to thirty tons, and one ton minimum of tires.

If you have any question please contact me.

On behalf of the City of Anna Maria I'd like to thank you for your assistance in this matter.

Sincerely,

George McKay
