Dear Mr. Hunzeker:

On behalf of Manatee Glens, I would like to designate Melissa Larkin-Skinner, Chief Clinical Officer, to serve on the Public Safety Coordinating Council and fulfill the remainder of the term and seat held previously by Deborah Kostroun.

Ms. Larkin-Skinner is a senior clinical manager with 20 years of experience in mental health and addictions services in outpatient, inpatient, and residential settings. Currently she is Chief Clinical Officer, responsible for all clinical operations at Manatee Glens.
