Subject: RE: Manatee County Project Near SRQ: Bayshore Crossings Redevelopment

Hello,

We do not have any issues with this project. The location and proposed heights are compatible with airport operations.

Thank you

Lionel A. Guilbert

Good afternoon,

We have a project under review in Manatee County that is within the SRQ AI Height Overlay Part 77 Surfaces. It appears to be located in the Conical Surface.

They are proposing to convert an existing vacant grocery store to mini storage.

The rezone is located at 6015 26TH ST W, BRADENTON, 34207.

We would appreciate any comments you have by February 20th, 2020, if possible.

I have attached the proposed site plan; they are not proposing height in excess of 350 feet.

Thank you!

Jamie R. Schindewolf, MSP
