November 1, 2018

The Honorable Wayne H. Poston
Mayor of Bradenton
Bradenton City Hall
101 12th St. W.
Bradenton, Florida 34205

Dear Mayor Poston:

At the Board of County Commissioners Meeting on November 27, 2018, I will recommend that the County is prepared to assume operational responsibility for the Palma Sola boat ramp facility beginning January 1, 2019; this responsibility will include the launch ramp, docks, parking lot and associated landscaping.

In the interim, Parks and Natural Resources Department staff will work with City staff to initiate and complete State and Federal permit and lease transfers from City to County. It is likely that these administrative transfers will take some time; nonetheless after January 1, the Palma Sola boat ramp will be considered a County asset.

Sincerely,

Ed Hunzeker
County Administrator

CC: Board of County Commissioners
Charlie Hunsicker, Director, Parks and Natural Resources
