MANATEE COUNTY, FLORIDA
TOWN OF LONGBOAT KEY, FLORIDA

This Interlocal Agreement (“Interlocal Agreement” or “Agreement”) is made and entered into as of the ___ day of _____, 2020, by and between **Manatee County**, a political subdivision of the State of Florida, hereinafter referred to as the “County”, and the **Town of Longboat Key**, a municipal corporation, created and existing under the laws of the State of Florida, hereinafter referred to as the “Agency”.

RECITALS

WHEREAS, on March 9, 2020, the Governor of the State of Florida issued Executive Order No. 20-52 in which the Governor declared that a State of Emergency exists in the State of Florida due to the COVID-19 pandemic; and

WHEREAS, on March 16, 2020, the Board of County Commissioners of Manatee County (“Board”) adopted Resolution No. R-20-098, declaring a County-wide Public Health Emergency pursuant to Section 2-13-17 of the Manatee County Code of Ordinances due to the COVID-19 pandemic; and

WHEREAS, on March 27, 2020, Congress passed and the President signed the “Coronavirus Aid, Relief, and Economic Security Act” (“CARES Act”); and

WHEREAS, on April 22, 2020, the U.S. Treasury Department issued Guidance (“Treasury Guidance”) for State, Territorial, Local, and Tribal Governments relating to payments made available under the CARES Act; and

WHEREAS, the Federal CARES Act, section 601(d) of the U.S. Social Security Act, created the Coronavirus Relief Fund and provided Florida with \$8,328,221,072, 55% of which was allocated to the State of Florida and 45% of which was allocated to counties, including \$17,500,000 (with an expected \$52,500,000 to follow) that has been allocated to the County pursuant to a CARES Act Funding Agreement (“Funding Agreement”) between the County and the Florida Division of Emergency Management (“Division”); and

WHEREAS, pursuant to the Funding Agreement, CARES Act funds allocated to the

County may be used for, among other things, expenditures incurred to allow government entities such as the Agency to respond directly to the emergency, so long as funds are not used to fill shortfalls in government revenue to cover expenditures that would not otherwise qualify under the CARES Act; and

WHEREAS, Agency has requested that the County provide Agency with CARES Act funds to be used in accordance with the CARES Act, the Funding Agreement and Treasury Guidance, to fund the eligible expenditures incurred by the Agency more particularly described in Exhibit “A” attached hereto and incorporated herein by reference (the “Expenditures”); and

WHEREAS, Section 163.01, *Florida Statutes*, the “Florida Interlocal Cooperation Act”, permits the County and any public agency to enter into this Interlocal Agreement to exercise the powers, privileges and authority which they share in common and which each might exercise separately, in order to make the most efficient use of their powers; and

WHEREAS, the County and the Agency wish to enter into this Interlocal Agreement to establish their mutual rights and obligations with respect to joint participation in the funding of the Expenditures with CARES Act revenues received by the County pursuant to the Funding Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the County and the Agency agree as follows:

Article I

2.1 Eligible Expenditures. The Agency has identified the Expenditures as expenses which have been incurred due to COVID 19 that qualify in accordance with the CARES Act, the Treasury Guidance and the Funding Agreement. 2.2 County Contribution Toward Funding. The County shall reimburse the Agency for actual costs incurred to pay Expenditures up to the allocation of 10% of the CARES ACT funding based upon population estimates identified by the US Census and can be amended by County Administrator based upon unexpected needs.

2.3 Invoice and Payment. The County shall reimburse the Agency for Expenditures described in Section 2.2, within sixty (60) days of receipt of an application for payment that meets the requirements of this Section. The Agency applications for payment shall be submitted as written requests to the County Administrator and shall:

- (i) identify all Expenditures funded by the Agency in accordance with the following requirements:
 - (1) only necessary Expenditures incurred by the Agency due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19) shall be included;
 - (2) Expenditures shall not have been accounted for in the Agency budget most recently approved as of March 27, 2020; and

- (iii) include detailed invoices (indicated as paid with reference to date of payment and check number), copies of cancelled checks (front & back) and a completed W-9, and any other documentation acceptable to the County reasonably necessary to identify the Expenditures incurred and funded by the Agency.

The Agency shall apportion reimbursable costs on a submission schedule beginning on August 3, 2020, and shall submit applications for payment no more frequently than once every three (3) weeks.

2.4 Use of County Payments. The Agency shall use the funds paid by the County to the Agency hereunder solely for the purpose of reimbursement for Expenditures as provided herein.

2.5 Reimbursement to County for Ineligible Expenditures. In the event that the State of Florida or the United States, or any department or agency thereof, determines that any Expenditure funded pursuant to this Agreement is ineligible for such funding for any reason, the Agency shall reimburse to the County one hundred percent (100%) of such Expenditure and any interest thereon that is due and owing to the State of Florida or the

United States. Once notified by the County of such a determination of ineligibility, the Agency shall pay such reimbursement to the County within thirty (30) days. The obligation of the Agency pursuant to this Section shall survive the termination of this Interlocal Agreement.

2.6. Records and Accounting. The Agency shall maintain records of the receipt and use of CARES Act funds in accordance with general accepted governmental accounting principles, and shall allow access to such records by the County, the Clerk to the Board of County Commissioners and their independent auditors, for purposes of verifying the legal use of CARES Act funds.

5.5 Ambiguities. Both parties have been allowed equal input regarding the terms and wording of this Interlocal Agreement and have had the benefit of consultation with legal counsel prior to its execution, such that all language herein shall be construed equally against the parties, and no language shall be construed strictly against its drafter.
