Rob / Lisa:

Pursuant to the above Requests for Legal Services, you have asked this office to review the staff reports and related documents regarding the above phosphate mining applications. In accordance with the practices of this office, we have provided our comments to you directly in meetings or phone conferences today. Subject to our changes being incorporated into the documents, we have no objection from a legal standpoint to the applications being scheduled for consideration by the Planning Commission and Board of County Commissioners. Please provide us with electronic redlines reflecting any changes made to the documents before the public hearings.

This concludes our response to the RSLs. Please contact me if you have any comments or questions.
