

**Table 1. Manatee County 2018 Transportation Project Priorities**  
*Proposed Projects and Ranking*

County Rank	Project Name	From	To	Description
01	DeSoto Bridge (US41/US301)	9th Ave W	7th St W	replace end-of-life bridge with higher capacity structure consistent with CMNAA and PD&E
02	15th Street East	Tallevast Rd to 1st St	--	reconstruct two-lane roadway consistent with complete streets principles
03	CMNAA Projects	Areawide	--	implement improvements within CMNAA study area
04	ATMS Communication Network and Devices Expansion	Countywide		Deploy ATMS devices such as closed-circuit cameras, dynamic message signs, dynamic trailblazers, Bluetooth devices, microwave vehicle detection, advanced signal detection, and fiber optic communication infrastructure.
05	RTMC Network and Monitoring Infrastructure Replacement	Countywide	--	Install redundant core network switch and replace end of life network equipment and video wall engines
06	Traffic Signal Controllers and Field Communication Devices Replacement	Countywide	--	Replace traffic signal controllers with the updated model capable of high resolution data logging. Replace Managed Field Ethernet Switches with the gigabit communication speed.
07	9th Street West	SR 684 (Cortez Road)	301 Boulevard	construct sidewalk on west side
08	US 41 Bicycle Improvements	Edwards Drive	26th Avenue West	bike racks and route wayfinding signs
09	US 41	at Bayshore Gardens Pkwy	--	add separate westbound and southbound right turn lanes; construct intersection-related pedestrian improvements
10	US 41 Bus (14th St W)	39th Avenue West	26th Avenue West	pedestrian crossings
11	53rd Avenue West	at 26th Street West		add separate northbound, eastbound, and westbound right turn lanes
12	SR 684 (Cortez Road)	at 26th Street West	--	add separate northbound and southbound right turn lanes
13	SR 70	at Lorraine Road	--	construct a separate southbound right turn lane
14	60th Avenue East	US 301	Outlet Mall	widen to seven lane section
15	US 41 Complete Streets	South County line	Bowlees Creek	lane elimination, medians, roundabout control
16	33rd Avenue West	US 41 Bus (14th St W)	east end	construct sidewalk
17	34th Avenue West	US 41 Bus (14th St W)	9th Street West	construct sidewalk with pedestrian bridge over Wares Creek
18	53rd Avenue West	at 14th Street West	--	add separate eastbound right turn lane
19	18th Street West	SR 684 (Cortez Road)	38th Avenue West	construct sidewalk on east side
20	US 301	41st Avenue East	51st Avenue East	sidewalk
21	SR 684 (Cortez Road)	at 34th Street West	--	extend eastbound right turn lane
22	SR 684 (Cortez Road)	at 75th Street West	--	add separate eastbound and westbound right turn lanes
23	US 301	at 15th Street East	--	construct separate southbound right turn lane
24	US 301	at 30th Avenue East	--	construct separate eastbound right turn lane
25	Entranceway Signs	Countywide	--	install entranceway signs on State highways crossing the County line
26	US 301	at 63rd Avenue West	--	construct a separate westbound right turn lane and extend/upgrade the northbound and southbound left and right turn lanes to current standards
27	US 301	at Tallevast Road	--	extend/upgrade the northbound and southbound left and right turn lanes to the current standards
28	57th Avenue West	at 26th Street West	--	add separate right turn lanes on all approaches
29	Florida Boulevard	26th Street West	34th Street West	gap sidewalk along north side
30	Morgan Johnson Road	13th Avenue East	south of SR 64	construct sidewalk on east side
31	University Parkway	Lakewood Ranch Blvd	Lorraine Road	construct multi-use path
32	Ellenton-Gillette Road	17th Street East	Mendoza Road	sidewalk
33	Rails with Trails (Willow-Ellenton Trail)	US 301 (Ellenton)	US 301 (Parrish)	multi-use trail along RR line from Gamble Mansion to U.S. 301
