Good Afternoon Barbara,

After review, we were able to accommodate some of the CAO comments on the first page of the LAP Agreement and Exhibit A. Unfortunately, all other revisions will not be accommodated as this is a standard boilerplate agreement from Central Office that cannot be modified. Please find the revised draft LAP agreement attached.

Should you have any questions, please feel free to contact me.

Thank you,

Hi Jobin,

We are required to submit executable documents to the County Attorney for review prior to placing on the Board's agenda for execution. Attached you will find the response from the County Attorney with requests for corrections/revisions.

Please have your appropriate staff review and provide a response on the same. I cannot submit this to the Board without a response from FDOT regarding the revisions. Currently this agreement is pending on the Boards agenda for April 24th.

Thanks!
