- **End:** 8/31/2018

**Commission Districts (x #’s):**  
- 1
- 2
- 3
- 4
- 5
- All

## DESCRIPTION OF PROJECT (Include written description of project scope).

If different phases are anticipated, please provide relevant information.

This planting aims to make use of existing land bridges between "islands" within the Robinson Preserve Expansion area before the are removed as part of Phase IIB construction. This will prevent damage to the rubberized trails system and avoid costs associated with barging large plants to their planting locations as would be necessary if not planted before construction of Phase IIB.
