Subject: CAC Appointment

Good morning Jordan,

Your term as a member of the MPO Citizen Advisory Committee expired in January, 2017, sorry we missed it. Please get in touch with me here at the MPO as soon as possible if you would like to be reappointed to your position as the Manatee County representative on the MPO CAC. Per the CAC Bylaws, we request that you send us something in writing stating that you would like to be reappointed—an email will suffice. We will forward it on to Manatee County. We will then be notified by your Board of County Commissioners that you were reappointed and then the MPO board can ratify that at their next meeting.

Thank you for your continued service as a member of our Citizen Advisory Committee. We look forward to hearing from you regarding this important subject as soon as possible.

Thank you and have a great day!
