Re: APPLICATION OF VACATE – RIGHTS -OF- WAY (“Vacation Application”)
Portions of: (1) Roseland Drive; & (2) Pine Street
Ellenton, FL 34222
OFN: 5135-98

Dear Mr. Meador:

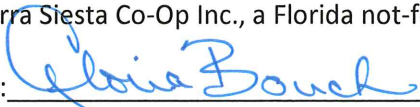

Terra Siesta Co-Op Inc., (“Terra Siesta”) is one of the co-applicants in the above referenced Vacation Application. It has been subsequently determined that it is not necessary for Terra Siesta to participate as an “applicant” in the Vacation Application and the vacation process through Manatee County, would be simplified if Terra Siesta is not included as an applicant.

Therefore, this correspondence is notice to Manatee County that Terra Siesta is hereby withdrawing as an applicant and participant in the Vacation Application and vacation process, for all purposes as if it had not been a party to the initial Vacation Application.

Notwithstanding the foregoing, Terra Siesta anticipates receiving certain additional lands, if the Vacation Application is approved by Manatee County, and Terra Siesta consents to and strongly supports the vacation of right(s)-of-way under the Vacation Application.

Please confirm to our counsel, Timothy A. Knowles, Esq tak@phkhlaw.com , that this correspondence is sufficient to remove Terra Siesta as an applicant under the Vacation Application (or provide additional direction to achieve that result.)
